

## New Lifegroup Leader Training Track

You are going to be a GREAT Lifegroup Leader! You are chosen, called, and uniquely gifted by God for this mission! Regardless of whether you have led a small group before or this is your first time, we believe in you and we want to equip you to lead Lifegroup with excellence. That is why we created the following series of training videos. Each video is brief but packed with important information that will help you be prepared to lead a Lifegroup at Antioch Waco. You can watch the videos at your convenience, but we ask that you watch them in order and be prepared to talk with your Zone Pastor or Section Leader about the content. Please keep track of your progress using the provided checklist and make sure you watch every video before you launch your Lifegroup. The checklist below is a complete list of the training videos provided on [lifegroupleaders.com](http://lifegroupleaders.com).
